There is no charge for parking at the facility.

Volunteer Check-in & Accreditation Tags

- **Please arrive 15 mins prior to your scheduled shift.**
- There will be a volunteer registration desk located at the main registration desk for skaters and coaches. Please check in at the start of your volunteer shift AND check out at the conclusion of each of your volunteer shifts.
- You will receive your volunteer accreditation tag at the start of your shift, and we ask that you hand back your tag at the end of each shift. Please take care with your tag, as they do damage easily.
- Your volunteer accreditation tag **MUST** be always worn when you are volunteering.

Rule of Two

If your position has you going into a dressing room or any room at the event, ensure that you follow the rule of two if there is anyone under the age of 18 in the room.

Volunteer Room

There will be a Volunteer Room in the facility located in the dressing room hallway. The room will be labelled Volunteer Room. There will be light snacks and drinks available for all volunteers. This room is not locked and does not always have someone in there and so if any personal items are left in this room, it is at your own risk.

Volunteer Dress Code

As this is a championship event, we ask that our volunteers dress in business casual attire for the event dates of October 29 – November 1, 2026. (You may wear jeans.) We encourage you to wear comfortable shoes, which may be running shoes. Bring warm clothing if your position requires you to be at ice level or in the rink.

We ask Huntington Hills skaters who are volunteering to please wear their team jacket if they have one.

For set-up night you can wear whatever you feel most comfortable in.

Please refrain from wearing the following: ripped jeans, ripped pants, sweatpants.

Shift Changes

We kindly request that when you have a shift change between volunteers, that the current volunteer please pass along any information to the volunteer taking over the position for that shift. This helps provide consistent information to help the event run smoothly.
